

Basics of QAPI in the New Home Health CoPs!

Webinar & Audio Recording • Tuesday, February 13, 2018 • 10:30 am—12:00 pm CST

The new HHC CoPs require a formal Quality Assessment Performance Improvement (QAPI) program at every home health agency—can you meet this standard? Do you know the strengths and weaknesses in your current QA or QI program? This session will outline the requirements for QAPI in the new CoPs and offer an action plan to kickstart the program—fast!

At the conclusion of this webinar the learners will be able to identify required components of a QAPI program, state 2 data sources for QAPI target selection and state the steps in the QAPI process.

Presenter: **Teresa Northcutt, BSN, RN, COS-C, HCS-D Quality Specialist** specializes in training on OASIS assessment, documentation, and coding, focusing on customized education for clinical staff. She has also presented on quality outcome improvement, agency communications and processes, and care transitions for state and regional conferences. Teresa brings comprehensive and contemporary knowledge of home care and quality improvement methods.
