

Surveys Under the New Conditions of Participation

Webinar & Audio Recording • Thursday, May 31, 2018 • 10:30 am—12:00 pm CST

In this interactive program the speaker will discuss the new survey G tags and lessons learned since implementation. Find out the top survey deficiencies so far under the new CoPs. The speaker will also discuss the struggle of coordination of care, and care planning, and how these items touch almost every aspect of the business. A deficiency in one item can touch several areas. Know what you need to do now to comply with the standards! During this intermediate session participants will learn effective strategies and approaches to prepare for survey and how to stay in compliance.

After this session learners will have a working knowledge of:

- The number of charts based on unduplicated census that the surveyors will be reviewing
- Level 1 and Level 2 G tags and what elevates an agency to conditional level deficiencies
- What items need to be corrected now before your survey

Presenter: J'non Griffin, RN MHA, HCS-D, HCS-H, HCS-C is the president of Home Health Solutions, LLC, and a nationally recognized speaker with over 30 years of home health experience. J'non has experience as a field nurse, supervisor, quality assurance director, staff development and appeals coordinator, and chief operations officer. Her responsibilities have included risk management, acting as compliance officer, development of policies and forms, survey compliance, appeals of Medicare denials, writing Corrective Action Plans, start-ups of parent and branch agencies, consulting with agencies on a variety of subjects and education of staff.
